NOTES/COMMENTS:

RECOMMENDATION:

That the City Council adopts an Interlocal Cooperation Agreement between Utah County and Eagle Mountain City for the joint administration of the 2015 Municipal Elections.

BACKGROUND:

The proposed interlocal agreement documents the terms for the joint administration of the 2015 Municipal Primary and General Elections. Utah County will provide manpower and equipment to count all ballots for the primary and general elections. Electronic voting machines will be used for early voting and in polling locations on election day. Optical scan equipment will be used to count absentee and provisional ballots.

The City Recorder is the Elections Official and will be responsible to coordinate and supervise the municipal elections. The City Recorder will hire poll workers and a rover and arrange for training through the County, which will be a separate expense.
